Budapest, 22 January 2019

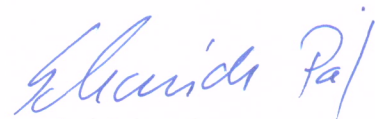

Dear Sir,

It is my pleasure to cordially invite you to the Budapest Office of RacioNet to discuss the plan of a Romanian Digital Model School Project further on 28 January 2019. During the day we can delve into your needs and expectations and we can also introduce you more profoundly the existing Digital Education Strategy of Hungary and other related challenges that will determine the improvement and quality of digital education in the forthcoming years in Hungary.

Please kindly share the details of your visit with us in order that we can most efficiently compile the agenda for the day and discuss the schedule later this week.

I look forward to meeting you again.

Yours faithfully,

Pal Schmidt
Vice President
RacioNet Zrt.
